Subject: RE: Sonoma Dairy Inspections

Hi Cherie,

Thanks for the email. I'll miss today. Hopefully I can make it tomorrow. One of my forage projects down in the valley is going to start harvest this week so I will miss some of your inspections.

I know you will be taking pictures to include in your report. Since EPA is accompanying you on these inspections I'd request that they not take pictures. My sense is that producers will be concerned if there are many cameras from many regulatory agency people. Thanks.

Deanne

Subject: Sonoma Dairy Inspections

Hi All,

Attached is the Sonoma-Marin Dairy inspection list. Some of you expressed interest in attending one or all of the inspections. Please send me an email regarding which inspections you may be attending. I know that Melissa, Glenn, and Becky may be attending all of the inspections. I have William Hart and Dayna Ghirardelli down for attending Ielmorini-Moody dairy.

Note that we have a morning dairy unconfirmed at 8:30 am Thursday. We may make a switch that day to move another dairy up in the schedule if needed. More on that soon.

Thanks!

Cherie Blatt
